Revised November 10, 1999

Site Location and Description

This site is located at 1302 West State Road 2 in LaPorte.

Zip Code: 46350

Site Uses and Past Activities

None specified.

Contaminants and Impacts

Based on IDEM's review of the available soil and groundwater data, the Department agrees that soil and groundwater petroleum contamination identified at the property presents no actual threat to human health.

Lead Agency

IDEM

Community Concerns

None specified.

Actions Taken

After reviewing a Risk Evaluation and data from subsurface and groundwater investigations conducted by an independent contractor, IDEM issued a Site Status Letter (No Further Action Letter) in May 1998 for this site. The letter addressed liability issues and should assist the City of LaPorte with responsible brownfields redevelopment.

Current Status

IDEM does not plan to take any further action at the property unless and until the conditions at the property should change or IDEM later discovers the reports were inaccurate concerning the potential contamination at the property. The City of LaPorte and other stakeholders should proceed with redevelopment.

Future Actions

No further IDEM actions are planned at this time.

Cost Estimates

Site Status Letters are provided at no cost to the recipient.
